“The history of all hitherto existing society is the history of class struggles,” they proclaimed in the Manifesto of the Communist Party. A scientific understanding of history shows that these struggles will culminate in the triumph of the working class and the establishment of socialism. History of Socialism - The history of socialism goes back to B.C. Learn how a treatise about utopia inspired more than 40 other books in the history of socialism. Socialism has morphed into Soviet-style communism and spawned Latin American dictatorships, while in Europe, many countries combine socialistic principles with capitalism and democracy. Socialism demands that we place blind trust in whoever takes the power to distribute society's goods and services. History shows those who have this power abuse it in horrific ways.
