I would strongly recommend reading the first book in the series (A Nordic Knight in Henry's Court) before starting this one. This is a satisfying conclusion to Jakob & Avery's story, though the plot is looser and everything just doesn't quite all come together like the first novel/5(4). When it does, it brings two unanticipated visitors: one very dear to Jakob ~ and one very dangerous to Avery. Please enjoy this sequel to A Nordic Knight in Henry's Court and A Nordic Knight of the Golden Fleece.
