A World for Us: The Case for Phenomenalistic Idealism - Kindle edition by John Foster. Download it once and read it on your Kindle device, PC, phones or tablets. Use features like bookmarks, note taking and highlighting while reading A World for Us: The Case for Phenomenalistic Idealism. Amazon.com: John Foster. A World for Us aims to refute physical realism and establish in its place a form of idealism. Physical realism, in the sense in which John Foster understands it, takes the physical world to be something whose existence is both logically independent of the human mind and metaphysically independent of it. Amazon.com: John Foster.

John Foster, A World for Us: The Case for Phenomenalistic Idealism, Oxford University Press, , pp., \$ (hbk), ISBN 978-0-19-920711-1. Reviewed by William Seager, University of Toronto Scarborough. This book presents a characterization and sustained defense of a form of idealism. A World For Us: The Case for Phenomenalistic Idealism Oxford University Press (cloth ISBN 978-0-19-920711-1) This book is, in some respects, a reworking of Foster's earlier work The Case for Idealism (1975). Back in 1975, while at graduate school, I bought a copy of the latter, but the physical world and work towards a form of idealism. Foster's The Case for Idealism argues that the physical world is the logical creation of natural, non-logical constraints on human sense-experience. Foster's latest defense of his views (phenomenalistic idealism) is in his book A World for Us: The Case for Phenomenalistic Idealism. He authored several books, including The Case for Idealism and A World for Us: The Case for Phenomenalistic Idealism. [1] John Foster was tutorial Fellow of Brasenose College, Oxford, from 1975 to 1984 and was Emeritus Fellow there until his death in 1994.
