“ALCHERINGA” when the first ancestors were created. – describing The Mission of the Mothership Rexegena from the Pleiades nearly 1 million years ago. You can read the Table of Contents, Author’s Note, Synopsis and Introduction along with the first two Chapters of ALCHERINGA, when the first ancestors were created.

Her first book The Book of Love is written in diary form while sitting with a sacred Alcheringa Stone. The Stone, wrapped in paperbark, belongs to the Australian Aboriginals who advise it has come from the allamericanlocks.coms:

I believe this story gives insight into the creation of the first humans. The story also happens to be held in the Australian Indigenous creation Dreaming story, who believe they came from where Australia is now/5.

ALCHERINGA, our creator ancestral spirit tells us that the Hieroglyphs would mean many things to many people and indeed they have triggered memories in people. Many have spontaneously regressed into a past-life memory speaking of a time of when they were star people.
