Asia: countries quiz. Click on an area on the map to answer the questions. If you are signed in, your score will be saved and you can keep track of your progress. Asian Americans have a high level of political incorporation in terms of their actual voting population. However, as a result of this group's historically low voting rates, overall political incorporation of the general population is relatively low.

His election is part of a trend of growing political power for the Asian-American and Pacific Islander (AAPI) community, especially in the state of California, where AAPIs account for nearly

Director's Message. For over forty-five years, the UCLA Asian American Studies Center has been at the forefront of educating the American public about the intellectual, cultural, and political diversity of the Asian American and Pacific Islander experience. We are a non-profit and non-partisan organization with a diverse membership representing all communities throughout the nation. Everyone is welcome to become a member of APAPA to support our efforts of empowering Asian and Pacific Islanders in civic and public affairs. The Asian Pacific American Institute for Congressional Studies (APAICS) is a national non-partisan, nonprofit (c)(3) organization dedicated to promoting Asian Pacific American participation and representation at all levels of the political process, from community service to elected office.
