It is true you can find the basic information on the BETMIX website for free, but if you are just starting at handicapping, this is a nice summary of the BETMIX theory and process. I should say that I have enjoyed going to horse races as a social event and never really worried much about the \$50 I would spend for an afternoon of betting, socializing, and consuming typical track fare. Racing Future is determined to inspire a new generation of fans to enjoy the sport of horse racing. BetMix Founder Dave Williams talks handicapping software At Racing Future we are interested in new and innovative ways to make horse racing more accessible, and handicapping is a huge part of the game that has not seen much improvement over the years. The computer gives more importance to factors with higher values. The factors you select and the values you give those factors are called a MIX. Like a recipe, different race types require different factors and values. As a subscriber you can save your mixes, use MixMaker, Race Results and many other tools that will help you win races.
