Volume 2: Our strategies and activities About this plan Auckland City Council's year Plan 1 About this plan This year plan prioritises projects that will help achieve future goals for the city. Under the Local Government Act , Auckland City Council, like all other. In the past, a child's birth certificate was relatively simple, with basic data such as name and sex of child, name of mother and/or father, home address, name of hospital, city of birth, and date of birth. Today, however, the birth certificate is used to collect a significant amount of data on the child and the mother.
