For decades it was the happy home (or so he thought) of the poet Harry Quirk and his wife, Luz, a From the PEN/Faulkner Award–winning author of The Great Man, a scintillating novel of love, loss, and literary rivalry set in rapidly changing Brooklyn/5.

In "The Astral," Christensen's sixth novel, the character we are doomed to hate to love is Harry Quirk, a "malnourished string-bean of a poet eligible for an AARP membership." Aggressively. Set on the planet Palos, the novel concerns Jason Croft, a wealthy American who has learned the art of astral projection from a Hindu teacher. Croft feels an unusual calling to Sirius, the Dog Star, and projects his consciousness there, eventually finding his way to the major planet of the solar system, Palos.

Harry's work-in-progress, "an epic poem of loss and displacement," is titled The Astral. How does this echo the symbolic role of The Astral apartment building in the novel? During the course of the novel, Harry and Karina pay several visits to Hector at the Sag Harbor compound. "The Astral" is the name of a new novel from Kate Christensen. It's also the name of an aging Brooklyn apartment building that the book's troubled hero has long called home.
