Topping the Alpha This is the fourth book in the Trident Series and while it can be read as a stand-alone it does reveal spoilers to previous books and therefore should be read in order. Jake "Reverend" Donovan growing up was the high school quarterback with a full ride ahead of him but he held a /5. text Alpha times two This is book # 4 in the Trident Security series. I recommend reading this series in order, since it will help with reader enjoyment and understanding.
