Everyday Greek: Greek Words in English, Including Scientific Terms Average rating: 0 out of 5 stars, based on 0 reviews Write a review This button opens a dialog that displays additional images for this product with the option to zoom in or out. Excerpt from Everyday Greek: Words in English, Including Scientific Terms This book has grown out of my own needs in giving a brief course in the derivation of English words of Greek origin. I have the hope that it will also be of service to many other teachers in giving similar courses in colleges and high schools.

Many modern English words have Greek roots. Knowing some of the Greek roots helps students to figure out other English words. For instance, in the sciences, many words have Greek roots. However, there are also common words used daily with Greek roots. Learning to identify the roots in words helps students to decipher unknown vocabulary. For a list of words relating to with Ancient Greek language origins, see the English terms derived from Ancient Greek category of words in Wiktionary, the free dictionary. For a list of words relating to with Greek language origins, see the English terms derived from Greek category of words in Wiktionary, the free dictionary.
