Issues of visibility and invisibility are becoming increasingly apparent in gender research in organizations. This book will not only further develop current theoretical ideas around being seen and unseen within organizations, but will also provide us with the opportunity to problematize the concepts of visibility and invisibility. Patricia Lewis and Ruth Simpson's edited collection, Revealing and Concealing Gender: Issues of Visibility in Organizations, comprises an introduction and 12 chapters, primarily from academic researchers in the UK but also including Australian, New Zealand and Norwegian contributions. Given the subject, it is pertinent to note that one chapter. "Issues of visibility and invisibility are becoming increasingly apparent in gender research in organizations. This book will not only further develop current theoretical ideas around being seen and unseen within organizations, but will also provide us with the opportunity to problematize the concepts of visibility and invisibility"
